DAYARA BUGYAL *Trek*

MAKE YOUR DREAM TRIP WITH TRIPPY INDIA PVT.LTD.

ABOUT DAYARA BUGYAL TREK

- *Dayara Bugyal is one of the most beautiful and expansive high-altitude alpine meadows in Uttarakhand, located in the Garhwal Himalayas. The trek is known for its vast green meadows, dense oak and rhododendron forests, traditional Himalayan villages and magnificent views of the surrounding snow-covered peaks. Unlike many high-altitude treks that focus primarily on a summit, Dayara Bugyal is about experiencing the landscape itself—the wide-open meadows, peaceful forests, mountain skies and panoramic Himalayan scenery.*

The trek begins from Dehradun, from where the journey takes you deep into the Garhwal Himalayas towards Uttarkashi and eventually the small mountain village of Barsu, which serves as one of the main access points for the Dayara Bugyal trail. The drive itself is an experience, passing through winding mountain roads, river valleys and beautiful Himalayan landscapes.
